Dear Sir:

On behalf of QUESTAR EXPLORATION AND PRODUCTION COMPANY, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Hosston Formation, Reservoir A and Cotton Valley Formation, Reservoir A, in the Elm Grove Field, Bossier Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize the Questar Exploration and Production Company - Holland 33 No. 3-Alt. Well, at the exceptional location shown on the plat attached hereto, and to designate said well as an alternate unit well for HOSS RA SU2, and an alternate unit well for CV RA SU2, in exception to the well spacing provisions of Office of Conservation Order 361-A-1, effective October 1, 1972, and Order No. 361-B, effective October 1, 1973.
2. To explicitly find that the abovesaid well is necessary to drain a portion of the Hosston Formation, Reservoir A, and Cotton Valley Formation, Reservoir A, in the Elm Grove Field underlying HOSS RA SU2 and CV RA SU2, respectively, which cannot be efficiently and economically drained by any existing well in such units.
3. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.
